

# Kapi-Mana Multiple Birth Club

## DISCOUNTS.....DISCOUNTS.....DISCOUNTS

Don't forget to take your KMMBC membership card with you!!!!

**Baby Factory** - 10% discount on all products. Check first, as they sometimes require you to buy two of the same item to qualify for the discount.

**Just Kids** - 10% discount on all full-price products. Not available at DressMart factory outlet store.

**Tracy's Hair Design** – 13 Tweed Road, Papakowhai, ph (04) 233 2992 - 20% off Children's Haircuts

**Infant Formulas.** We acknowledge the World Health Organization's benchmark for infant nutrition is exclusive Breastfeeding for six months. We do include these discounts and contacts for members who choose to use it. You will need a letter from a health professional (Plunket/doctor) stating that you have multiples and have made an informed decision to formula feed your babies. Don't make this decision hastily or on a bad day. Get good advice first on any breastfeeding difficulty (midwife / lactation consultant / La Leche League) before you make that decision. There are very few medical reasons why breastfeeding cannot continue – sometimes it's worth chatting through options before giving up altogether. Also make any decisions on which formula to use before calling the contacts below. Getting formula feeding right will take time too.
