Equipment For Hire

Contacts: Equipment Co-ordinator by phone or email

How it works: One of the benefits of being a member of the KMMBC is making use of the Equipment for Hire scheme. You are able to hire items and use them for short to medium term periods. Some charges may apply for bigger, more expensive items such as buggies, breast pumps, exasaucers and electric swings. We expect all items to be returned clean and in good working order.

What to do: If you need any item of equipment just contact the Equipment Co-ordinator who will be able to tell you if that item(s) is available immediately or if there is a wait. Discuss your needs with the Equipment Co-ordinator who will be able to advise you further.

As a general rule 3 to 6 months is an acceptable time to keep equipment but if nobody else has requested it you are welcome to keep using it as long as it is not needed. However, on some items of high demand a 1 month hire maybe used. It is at the discretion of the Equipment Co-ordinator to say you will need to return the item(s).

How do we get the club equipment?: Through fundraising, grant applications - mostly and from kind donations by club members.

2 x Cariboo Gentle Motions "in cots": Gentle Motions bassinet that connects via clips to any cot. They are basically a hanging bassinet in the cot. Navy.

1 x Mothers Choice Play n' Snack Swing: This is on its own portable stand so can be used or taken anywhere. Has lots of different speeds, music & a tray of various toys that fits on the front as well. Can be used at various levels & heights.

1 x Metal Stair Gate: Extends from 750m – 820m. Standard door size but extends wider. Keep your kids safe from the stairs!

2 x Bouncernets: Have also been donated to the club. These are a complete LIFE SAVER. I haven't meet a mother of twins who hasn't used one. Great for bouncing one baby with your foot while feeding another.
